

# ROTARACT CLUB REPORT (DEGREE UNIT)

## INSTALLATION

The Rotaract Club was installed on 17th July 2013 at the BWMC Installation Programme, by our Principal Mrs Lydia. P. Samuel. Overall 13 Office Bearers were installed to carry out the service of the club.

## TREE PLANTATION

On August 4th , a tree plantation program was held at Magadi Road in the outskirts of Bangalore. About 20 members from our club participated in this activity. Members from Rotaract Club Bangalore West joined us. About 25 – 30 saplings were planted by around a government school. They either planted the saplings or watered it while others helped in laying bricks around the sapling.

## BREAST CANCER MARATHON 5K

A Breast Cancer Marathon was organised by the Rotary Bangalore – Diamond District on 1 September. It was held at Kanteerava Stadium. Members of our club participated in this marathon along with various other participants including personnel from Army, Air force and IMA ( Indian Military Academy) This marathon was held to provide help and support for the patients of breast cancer and to raise awareness among people about Breast Cancer. At the end of the marathon prizes were distributed to the participants especially to participants below 8 yrs. and above 60 yrs.

## RYLA TRAINING

On the 17th of September the training session for RYLA was conducted at NMKRV College in Jayanagar. Along with it a general meeting also took place. We

were addressed by Mr.Swami who inspired us on how the upcoming generation of India should contribute towards its growth and at the same time warned about our nation's various problems. This training session for RYLA helped us to understand the way in which RYLA is to be conducted.

## RYLA –

RYLA one of the greatest achievements of Rotaract Club was conducted on 26.09.13, 28.09.13 and 1.10.13 at various places. RYLA is an event in which the members of Rotaract teach and help the development of various students belonging to Govt. Schools. The members of our Rotaract Club provided various presentations to inspire and increase confidence of students in Class IX & X. We also played a lot of games with the students through which the importance of leadership skills and teamwork was shown.

## ROTARACT CONFERENCE “ PRATIBIMB”-

The annual Rotaract conference “ PRATIBIMB” was held on 9th March, 2014 in BIT College. The main objective of this conference was to create awareness about the club and its activities. It was a platform created for young, budding youths to identify their potential and competency in various areas.

## BLOOD DONATION CAMP –

A Blood donation camp was held on 20th March 2014 in association with Rotary TTK Blood Bank, Indiranagar. About 29 Units of blood was collected from both students, staff – teaching and non- teaching staff.
